Parents and Carers

Our normal end of day collection time from nursery is 3:00pm (after school club notwithstanding). We typically open our doors at 2:55pm to allow access.

We can offer a pre-arranged collection at 2:30pm, for those of you that need to collect children from other local schools. This needs to be booked with us, in advance, in order that we can prepare your child and sensitively withdrawn them from nursery.

We ask that you do not request to collect your child at other times (other than medical appointments etc) as this disrupts nursery life and diverts staff away from teaching and learning time with children.

Thank you for working with us to minimise disruption and maximise these precious early years of your child's education.

Our partnership with you means so much.

With great regard

David Aldworth

Executive Head Teacher
