

**WELCOME  
TO ALL**

## **Talking Across the Divide**

---

### **A Community Assembly for Brandwood and Kings Heath**

**This summer, Union Jack and St George flags were put up in parts of Birmingham with mixed feelings for residents. This resident led Community Assembly is a place for people to come together, discuss their views and share what matters to us in our communities at this time. Our hope is to understand each other better and remember we have more that unites us than divides us.**
