Dear Parents and Carers

We would like to make you aware of an incident this morning outside the primary and nursery school this morning, where a parent was approached by an unknown adult in an inappropriate manner.

Please can we ask that you stay vigilant when dropping off and collecting your children? Members of both school staff teams will be available, if required, around these times. The police have been informed regarding this matter.

Thank you for your continued support.

Yours Faithfully

David Aldworth
Executive Headteacher
