In-person Parent Consultation Evenings

Monday 13th November and Thursday 16th November

If you would like to meet with your child's Key Worker(s) and see how they are settling into nursery, then we are able to offer you the opportunity to book an appointment to come into Nursery.

Each appointment will be for a maximum of 10 minutes with your child's key worker. We will have to be strict with the timings, as you can imagine, so that we can ensure everyone gets a chance to meet and talk about their child. The teachers and senior leaders will also be available for you to talk to if you have any further concerns or questions.

The appointments will be available between 3.30pm and 5.00pm. You will need to book a slot with the Senior Leaders on the door when you drop or collect your child.

If we could please ask you to minimise the number of people who attend the appointment to a maximum of three people, including your nursery child. Please note – there will not be any additional staff available to supervise your child during the appointments.
