Dear Parents and Carers

Children in Birmingham can start primary school (reception) in the September after their fourth birthday. If your child was born between 1 September 2020 and 31 August 2021, they will be able to start school in September 2025.

This process of assigning places to children is **not automatic**. It is the responsibility of a child's parents or carer/s to do this. The deadline for applications for children of the above age is 15<sup>th</sup> January 2025 – only a few weeks from now. The link for this can be found below:

[School age - when can your child start school? | Apply for reception class or primary school | Birmingham City Council](#)

If you require support with the process of accessing and/ or completing the online form, then please let us know and we will do our best to help. Please note that we are not in a position to recommend particular schools; this is best decided by visiting as many settings as possible to build up your own knowledge of them and how they may be able to meet the needs of our child.

Yours Faithfully
