

SUMMER PLAYScheme

Week Beginning 25th July 2022 - Big Cook, Little Cook

Cooking, Mixing, Making and Baking. We will be learning about healthy eating, following recipes, measuring and mixing, writing menus and role-playing café/restaurants. We will be baking bread and breakfast bars, making smoothies, fruit kebabs and finding new recipes to try. Weather permitting - we will make and share a picnic out in the garden.

Week Beginning 1st August 2022 - Story Week

Together we will share and read our favorite story books. We will make our own shadow puppets and use puppets to re-tell stories and even write some of our own. Children can dress up as their favorite book characters if they would like. We can role play and re-enact some of the classic tales - for example The Three Little Pigs, Goldilocks and the Three Bears, We are Going on a Bear Hunt.

Week Beginning 8th August 2022 - Allens Croft Commonwealth Games

A week of learning about different sports and having a try at: Athletics, Badminton, Basketball, Bowls, Gymnastics, Table Tennis. We may even win some medals. Sports wear and trainers are advised during this week.

Week Beginning - 15th August 2022 - We are all Going on a Summer Holiday

Lots of water play for this week - so please bring spare clothes. Together we will plan our holiday and the journey, looking at different ways to travel. We may even find the beach! We will have picnic lunches (weather permitting) and explore the outside areas. We may even have an ice cream or two.

Week Beginning - 22nd August 2022 - Around the World in 5 Days

Together we will travel the world - finding out about different countries, looking at flags, listening to different languages and trying foods from around the world.

All the usual activities will still be happening in nursery. Your child will still be able to access the construction, studio, library and outside areas.

Please ensure you put sun cream on your child before coming to nursery and they bring an extra drink and a change of clothes each day they attend.
