WINTER WONDERLAND – TODAY!

Dear Parents and Carers

It's finally time for the marvel that is Winter Wonderland today and we so look forward to seeing you all with your children.

Please note that all photography & /videography, inc the use of wearable technology such as smart watches, is not permitted during our Winter Wonderland event today, as per other days.

The only exception to this is where we have created a backdrop in the entrance area where you may take shots (only of your own child/ren), under staff supervision. This will include an opportunity to capture an image with our special visitor, should they wish to do so at the end of the event 🧑🏻‍🎄

Please again allow us to remind you that children are only on site today for the window of time detailed on your invitation (9:15am - 11:00am or 12:45pm - 2.30pm). All children must be accompanied a parent/ guardian or adult of 18+ years today at all times to ensure their safety.

Thank you in anticipation of your support in keeping all children safe. We wish you a magical time with your amazing children.

All at ACNS. Merry Christmas all
