24.6.2026

Dear Parents and Carers,

I am writing to inform you of the latest arrangements in light of the continuing heatwave and the Met Office Red Heat Warning currently in place.

Temperatures within our school building are now approaching 30°C, and the tarmac and external surfaces are becoming too hot for children to walk on safely.

Following our most recent risk assessment and consultation with our Chair of Governors this evening, **we are now only able to accommodate children of working families tomorrow (Thursday 25th) and Friday 26th June.** This is to ensure we can maintain a safe environment for the children who are in our care.

If you are a working family and would still like to collect your child at 1:00pm, as previously offered, you are very welcome to do so. Please inform a member of staff at morning drop-off so that we can ensure your child is prepared for an earlier departure.

Children that are absent due to 1:00pm collections or due to this part closure will be marked as authorised absences.

We appreciate that this change may cause inconvenience and we apologise for this. However, the safety and wellbeing of the children remains our highest priority.

Thank you in anticipation for your understanding and continued support.

Yours sincerely,

David Aldworth
Executive Headteacher
