End of Year

Dear Parents and Carers

In what feels like the blink of an eye, it's that time again when we all look back at the year that has been and forwards to the summer break arriving. The last day of this academic year for the children will be Friday 18th July.

There have been tears aplenty this week in school, as we say farewell to many of our 'Big Nursery' children that will be moving on to Primary or Special schools in September. We are very proud of their achievements this year and so grateful to you for the incredible partnerships you have built with us. I would particularly like to thank each of you for the remarkable way in which you have supported us following the sudden death of Sam Cole. The warmth, sympathy and understanding offered by you, to our whole team, has been of such great comfort and has allowed us, in turn, to best support your children through this difficult time.

Two of our team are moving on to pastures new in September. Rachel Rose and Becky Madi have secured roles in Special Schools, after both spending more than 12 years with us. Clearly, we are very sad to see them go but it is gratifying to know that the skills they have accumulated will be valued and well used within specialist provision. Thank you, Rachel and Becky, for being such wonderful members of our team. You will both be missed. We wish you every success moving forward.

We also extend our thanks to Simone for covering the teacher role in recent weeks.

In other news, we are excited to welcome Jason Lee and Lynne Hughes to the team in September. Jason will be the qualified teacher within Big Nursery, whilst Lynn will be based in Little Nursery.

From all of us to all of you – have a happy and safe summer.

With every good wish

David Aldworth

Executive Headteacher
