

Countdown to

World Down Syndrome Day

21st March

We are taking part in the Sunflower Challenge for Down Syndrome UK

In the week commencing 3rd March the children will be planting sunflower seeds to take home to nurture and watch them change and grow over 21 days.

Each child, just like our sunflowers, grows and blooms in different ways.

Please share your sunflowers story on your child's tapestry so that we can follow their journey as they grow and bloom.
