

**GROW IT, COOK IT,  
EAT IT  
2014/15**

We started by planting our seeds...

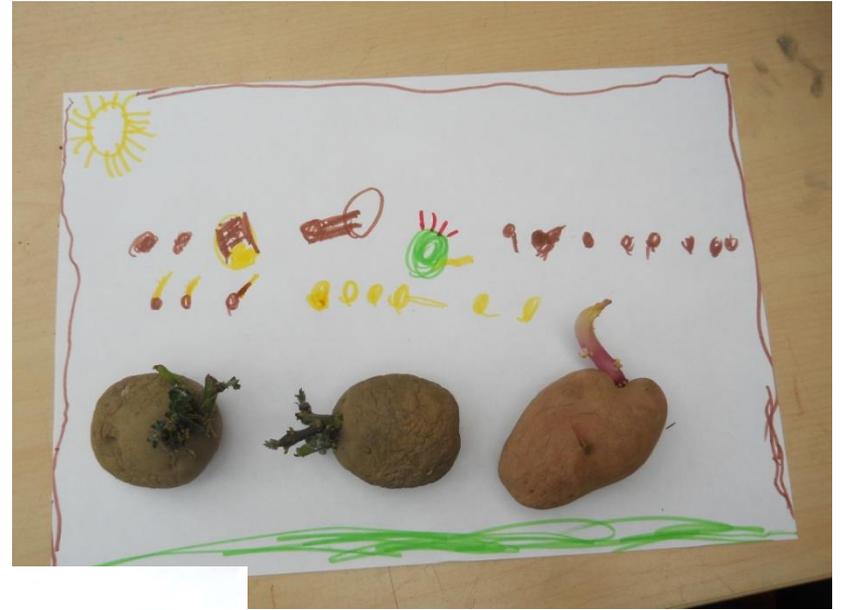

We prepared  
the ground  
ready to plant  
our seedlings.

Then we planted the herbs and onions we had grown.

Wow look at  
our potatoes!

All this wet weather has been great for our vegetable patch... Look how quickly they have grown!

WATCH THIS SPACE FOR OUR  
NEXT UPDATE... WE CAN'T  
WAIT TO SHOW YOU!
